About this session

The Elevator Pitch is a rapid-fire pitching session, with 3–7 minute slots, designed to help startups showcase their vision, problem statement, solution and market potential in the most concise and compelling way possible. It is ideal for idea-stage startups, student founders, MVP or early-traction startups and first-time pitchers.

Agenda

TIME	WHAT HAPPENS
2:30 – 2:33	Welcome, slot rules and pitch order
2:33 – 2:57	Live pitches in 3–7 minute slots, with quick changeovers
2:57 – 3:00	Feedback and close

Each pitch covers vision, problem, solution and market potential. The number of pitches depends on the slots booked; the organising team confirms the order.
