Product offering

Control your organization

Setup organization, branding and sites.
Integrate with your existing portals.
Add departments, teams and admins.
Manage batch, student data and courses.

Earn from network activity

Be social, allow your trainers to go on self earning mode.
Enable them to add a network of trainers below you.
Reward them to encourage more word of mouth.

Unlimited depth

Let trainers add trainers below them but control the revenue sharing model.

Add a HOD or an Admin

Simply be an Admin and add a team of HOD and trainers to work for you or choose to be a HOD or lead trainers to have your team deliver the lecture with you.

Everyone is an Event Manager

- ▶ Integrate with your existing & partner platforms
- ▶ Add Network of Affiliate Marketers.
- ▶ Generate discount coupons and referral code.
- ▶ Tag coupons with an affiliate to reward them financially at each acquisition through uses of coupons.
- ▶ Get hyper-personalization advertisement data to be fed to a platform like a Facebook to generate a lookalike audience.
- ▶ Mix between youtube public and private videos to enable video-based student acquisition advertisements.
- ▶ Add any video if you have standard embed codes.

Events & Seminars

Virtual Event Platform

- ▶ Create Events, Accept RSVP, Setup brochure and contents.
